[H.R. 1540]

National Defense
Authorization
Act for Fiscal
Year 2012.

To authorize appropriations for fiscal year 2012 for the Department of Defense, for military construction for the Department of Energy, to prescribe military personnel pay, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the "National Defense Authorization Act for Fiscal Year 2012".

SEC. 2. ORGANIZATION OF ACT INTO DIVISIONS.

(a) DIVISIONS.—This Act is organized as follows:

- (1) Division A—Department of Defense
- (2) Division B—Military Construction

“§ 463. Programs of compliance; electronic processing of travel claims

“(a) PROGRAMS OF COMPLIANCE.—The administering Secretaries shall provide for compliance with the requirements of this chapter through programs of compliance established and maintained for that purpose.

“(b) ELEMENTS.—The programs of compliance under subsection (a) shall—

“(1) minimize the provision of benefits under this chapter based on inaccurate claims, unauthorized claims, overstated or inflated claims, and multiple claims for the same benefits through the electronic verification of travel claims on a near-time basis and such other means as the administering Secretaries may establish for purposes of the programs of compliance; and

“(2) ensure that benefits provided under this chapter do not exceed reasonable or actual and necessary expenses of travel claimed or reasonable allowances based on commercial travel rates.

Scope of Compliance Tool Pilot

Compliance Tool scans DTS vouchers for:

- OCONUS foreign lodging tax
 - Should be included as part of per diem rate
- OCONUS laundry
 - Military and civilians ineligible for claiming
- Duplicate lodging
 - Due to claiming lodging in Per Diem Entitlements section and as a non-mileage expense
 - Does not impact Dual Lodging claims

How the Compliance Tool Works

Compliance Tool (CT)

- CT queries DTS for vouchers containing policy violations (errors)
- CT creates a record
 - One voucher to one record
 - One record may contain multiple errors
 - Records classified by DTS organization

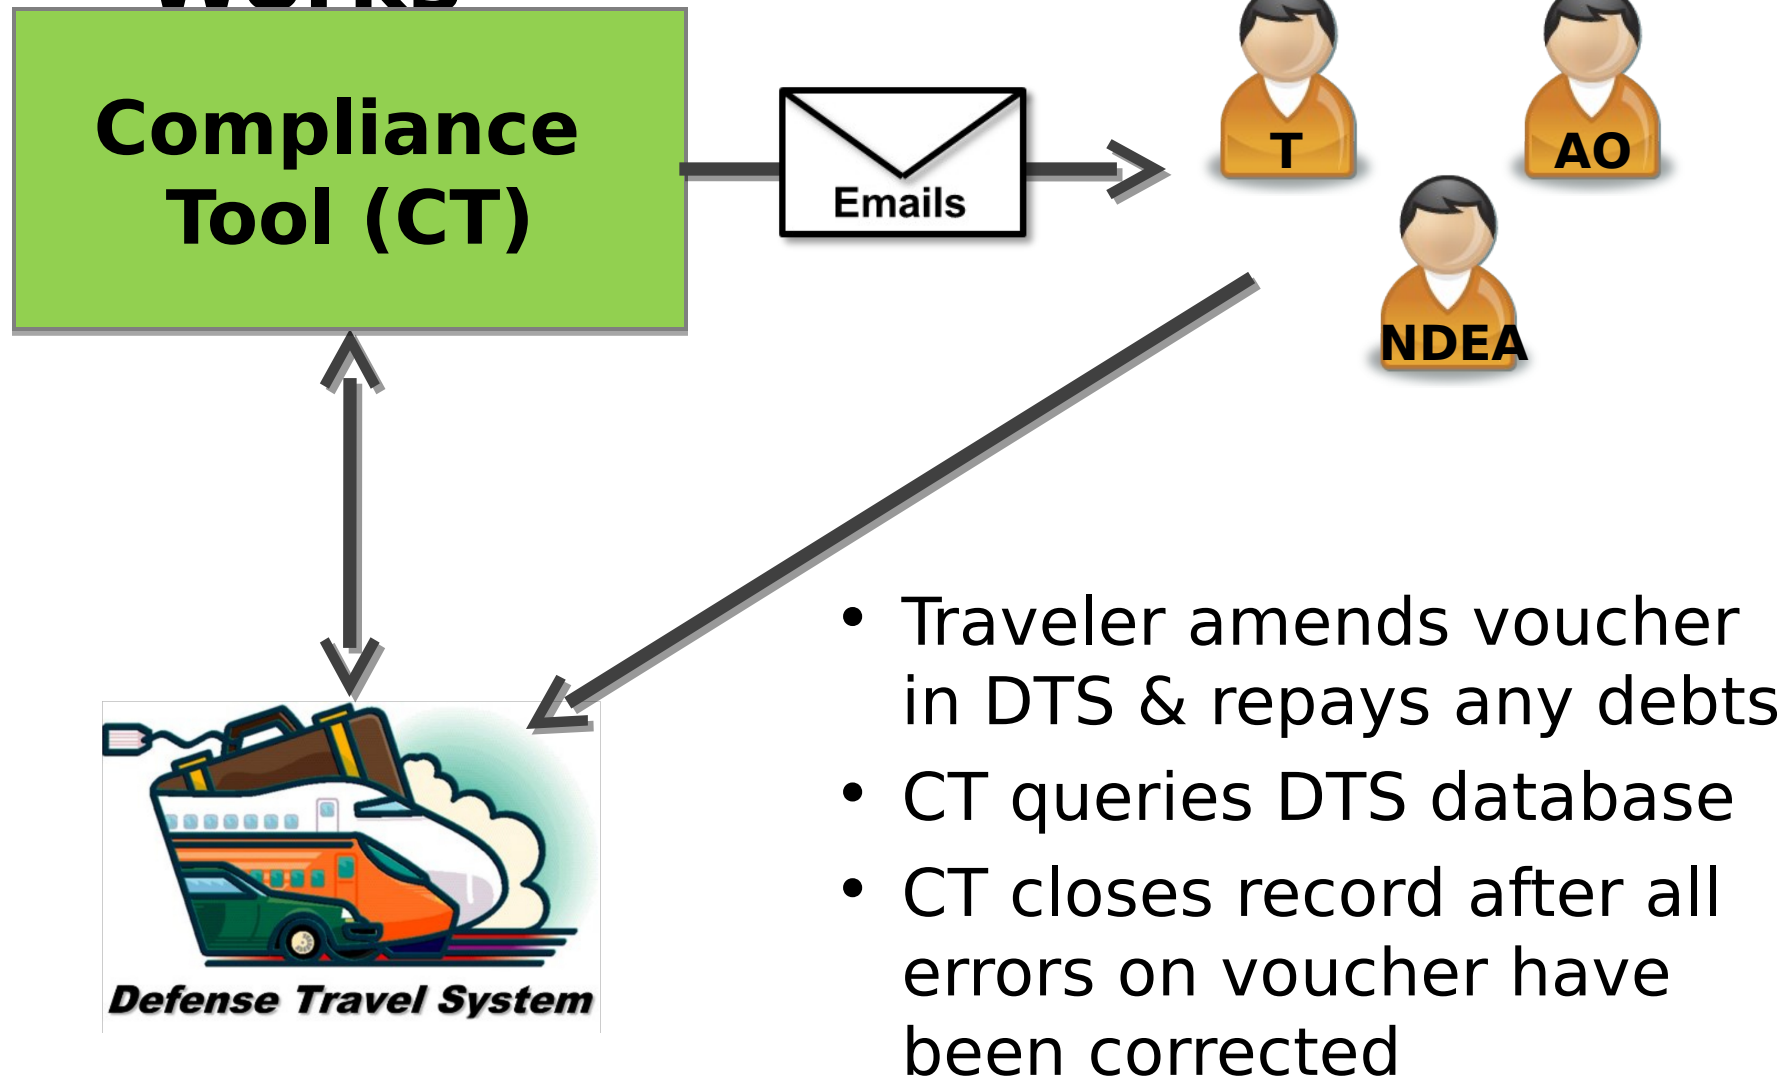

How the Compliance Tool Works

- When CT creates a record, it sends an email to:
 - Traveler
 - Authorizing Official (AO)
 - Non-DTS Entry Agent (NDEA) – if applicable
- Records not corrected in 30 days receive reminder emails from CT

How the Compliance Tool Works

Role of CTA

- Reviews records/errors for organization
 - Includes any sub-organizations
- Ensures errors are corrected in DTS
- Runs reports from CT
- Grants CT access to others
- Other responsibilities, per local business rules

Component-specific Procedures

- Check with your leadership regarding:
 - Required frequency of accessing the CT
 - Timeframe for travelers to resolve errors
 - Administrative actions against a traveler/AO that has not corrected an error
 - Reporting requirements
 - Requirements before granting access to a new CTA

Admin Access - Overview

Follow your local procedures about granting access

- Records tied to a DTS organization
 - CT access includes access to any suborg records
- CT access independent of DTS org access
 - E.g., DTA that has DTS org access to DD14 not automatically given access to DD14's CT records
- Two types of CTA access:
 - Granting privileges for one or more orgs
 - No granting privileges
